## Natural Beauty

Bluebells are among April's greatest gifts. New from pen-and-watercolour artist Naomi Davies, this picture, simply titled Bluebell Wood, is going on show and sale at Balzano's in Cambridge next month. The Cherry Hinton Road deli (home, incidentally, to some of the best coffee and cake in the city) will be exhibiting Naomi's work from May 5 to June 2; spanning fenscapes and city-centre scenes, the show is set to be a beauty.
